Hon. Newton Steers, M.C.
House of Representatives
Washington, D. C. 20515

Attention: Mr. Peter Knight

I am doing some special research on the background and problem of U.S. citizens divulging classified information or "government secrets" to foreign nationals, etc. (I am especially interested in those that have been indicted and convicted). The period of my research covers the 1960's, but I am interested also in the period 1940-1960 and also 1970 to the present. But the 60's is the real focal point.

Any help you can obtain for me will be deeply appreciated by way of documents, reports, bibliographies and the like.

Thank you very much.

Sincerely,
